

STUFF BAGS

These multi-purpose storage bags are great for carrying and organizing equipment. A choice of colors lets you color code bags for quick retrieval. Choose the size needed for the most efficient use of space. The large Stuff Bag is the perfect size for holding your harness, gloves, descender, and a few carabiners. Constructed of tough, water-resistant 1,000-denier CORDURA® nylon, these bags hold up under the most rugged use and conditions.
