

# SAS-750-WM

## STEERABLE LINE ARRAY WALL MOUNT

# 750 lb. WLL

## STEERABLES®

Wall Mounted Line Array

When rigging line arrays overhead is not practical, use the SAS-750-WM Steerables Line Array Wall Mount to install and aim line arrays up to 28" wide on either side of a stage or building. Line Arrays suspend from their own top grid or it's rigging points, which allow for the desired tilt angle.

Pan angles, up to 90 degrees left or right are achieved by way of an upper cross arm that aims the line array into the desired direction.

### STANDARD FEATURES:

- ▶ Permanent line array cabinets up to 28" wide
- ▶ Easy installation – goes up in minutes
- ▶ Provides up to 90 degrees of pan angle
- ▶ Utilizes the Line Array's top grid for down tilt
- ▶ Rugged black powder coat finish

### OPTIONAL ACCESSORIES:

- ▶ See overhead hardware data sheet
- ▶ See wire rope data sheet
- ▶ See safety cable data sheet
